We will be at the Eugene Saturday Farmer's Market, The Hardy Plant Sale, and the Mt. Pisgah Wildflower Festival this spring. See our website for event information. You can visit us in Cottage Grove by appointment or order plants by mail or phone. We will deliver to Eugene free of charge (for orders over \$100, otherwise \$5 per delivery)

Many of our plants are multi-functional: providing food, fixing nitrogen in the soil, medicinal, used as hedge or windbreak, ground cover, etc. See our spring 2009 catalog for more detailed information about these plants. You can download it from our website or contact us for a paper copy. Happy planting!
